

Insulation and Air Sealing Contractors List

October 11, 2011

The following contractors have signed a Participation Agreement with the Center for Energy and Environment (CEE) to do work according to the highest quality standards, and have agreed for customers in the Community Energy Services program to:

- Have their work checked to ensure they consistently meet high standards
- Complete any work that is found not to meet standards
- Offer a one year warranty to customers

If you call these contractors, be sure to let them know you were referred by CEE's Community Energy Services Program to receive the full benefits of CEE's quality control program.
