

Center for Energy and Environment

Minneapolis Business Grants for Efficiency Upgrades

Center for Energy and Environment (CEE) has partnered with the City of Minneapolis to offer Green Cost Share grant funding for businesses.

Grants can cover **20%—40% of the cost** (up to \$20,000) of eligible lighting, HVAC, or refrigeration upgrades on top of regular program rebates.

How the program works

- Visit mncee.org/GCS or call 612-244-2427 to sign up for a free energy assessment
- After the assessment, you'll receive a customized report with recommendations and estimated energy savings, grants, and rebates
- You must sign CEE's Green Cost Share Funding Approval form before beginning a project
- Your project must be completed between January 1 and December 31, 2024
- CEE will complete and submit all grant and rebate paperwork when your project is finished
- Grants are available on a first come first served basis until funds are depleted
