

SAVE YOUR ENERGY!

Energy Advisors are a cost-free, pressure free resource for home energy questions.

Benefits of living in an energy efficient home:

- Better comfort— stay warmer in the winter and cooler in the summer.
- Lower energy bills—save up to \$2,000 over five years.
- Healthier indoor climate—improve air quality
- Improved home durability—prevent ice dams

Energy Advisors take the guesswork out of making energy improvements

Answer your questions and help you figure out how to get started

Refer you to trusted contractors

Connect you to low-interest financing and up to \$1,600 in rebates

Connect you to low-interest financing

In 2019 alone, CEE's Energy Advisors coached more than 900 homeowners through energy efficiency improvements and connected them to more than \$350,000 in utility rebates.
